Ferrel Cat Trapping	Desert Squad Pest and Wildlife will do 1 month of trapping for feral cats underneath the portable buildings that are at the school. The traps will be checked daily and re baited. The cages will be closed on the weekends and re opened on Monday. The number of traps that will be used will be 6-8 at a time. Desert Squad Pest and Wildlife can't guarantee that all cats will be removed because in this process more cats could come.	\$6,000.00	1	\$6,000.00
